Dear Mr. Garrison.

The Ex. Com. of the W. A. S. Soc. have instructed me to invite you to attend their coming anniversary which will take place the fore part of Oct. We have postponed the Mtg. until that time for several reasons, among which was the greater probability of securing your attendance than than at an earlier period. We feel very desirous that you should be with us on that occasion, & hope you will find it convenient, or possible at least, to be present. We shall ascertain the time of the P. Mtg. & will appoint ours that you may attend both if you desire it. An immediate answer is desirable.

Truly Yours

C. E. Pitts Jones

Cor. Sec. of W. A. S. Soc.
